Hot Topics 10/1/26

Saturday, October 17th, will be the memorial service for David Taylor. Zach will take E92 and has seats left. Let him or me know if you want a ride.

Saturday, October 3rd will be the annual SCIO CARES day. This is an annual safety fair for elementary and middle school kids. We will need some folks to help manage this event.

On Sunday, October 4th, we will be burning a field for wildland practice. Please be at Station 91 at 0900 and bring your task books.

Our conflag backfill was approved by the state so we now have enough money to fund a second duty firefighter through the end of the month. The calendar is updated on the members side of the website. Let me know if you want to pick up a shift. I'm not concerned about AO vs FF. I'll run with 2 FFs or 2 AOs. I'm not going to send out an Active every day that there is an open spot.

I read a memo regarding probationary FF progression and will attach it to this email.

As a reminder, all Hot Topics can be accessed from any station computer by going to Network>DC2>Shares>SFD Share Drive>Hot Topics. In addition, I post them on the member's side of the website. The password is 1888.
