### **Hot Topics 3/30/26**

The Scio Crabtree Bilyeu Den Association will host their annual Easter Egg Hunt this Saturday at the high school. If you would like to volunteer to help hide eggs, please be at Station 91 at 8am.

I intended for everyone to get a Schrade Tool in your gift bag at the appreciation event, but several were on backorder. When they come in, I will place them in your mailbox.

Included in your gift bag was a \$10 gift card for Scio Hardware. It looks similar to a business card. Don't discard it thinking it's a business card. According to Mike, you should use it soon.

Speaking of the appreciation event, I'd like your feedback. Traditionally, fire departments hold their annual awards banquet in the spring just after the new year. They are traditionally held at a banquet hall and the dinner is catered. This was the model Scio Fire used through 2023. In 2024, 2025, and 2026, we went to a more informal setting, having it at the Tallman Brewery. We have a budgeted amount to spend on the event. The amount that we have saved going with the informal venue has been spent on gifts for the members. What I would like to know from you is "is this what you want?" This is your event so let me know if this is working for you. Below is an anonymous survey that you can take to give me feedback.

John Margaronis has resigned. We thank him for his service.

Attached are the current EMS hours for EMRs who need to recertify. Bill has assigned the EMRs the required DEI class. You need to log into Target Solutions to take the class. If you didn't receive the email or don't see a class assigned, let me know.

Over the next few drill nights, we will be taking ID pictures for your proximity cards and for our files. We took several pics last night but I have about a dozen members who still need their picture taken. Expect to get your pic taken at the next drill. If you have a Class B uniform, please bring it. I have extras for those who don't have a uniform.

As a reminder, all Hot Topics can be accessed from any station computer by going to Network>DC2>Shares>SFD Share Drive>Hot Topics. In addition, I post them on the member's side of the website. The password is ScioFire1888.
