I have added the duty calendar and officer contact information to the members' side of the website. The updated upstaffing calendar is also uploaded to the website.

Single-person upstaffing started on Monday. Upstaffers will take over rig checks until November so for the next 5 months, we will have a manipulative drill instead of doing rig checks for the first drill of the month.

I have about 60 surplus SCBA bottles that I need to get rid of. I am offering them up to the volunteers for \$5 each. You'll need to sign a waiver stating that you will remove it from all SFD facilities, you won't try to fill it, etc. Whatever I have left in a couple weeks will get posted to a surplus website.

We have a house burn scheduled for Sunday, June 14th at the corner of 226 and Loma.

DPSST Fire School in February was cancelled because of a partial government shut down. DPSST is now going to host Fire School at the end of September. Go here to see the classes: [2026 DPSST Fall Fire School Tickets, Saturday, September 26-Sunday, September 27 • 7:30 AM-5 PM | Eventbrite](#)

The OVFA conference is coming up in June. Go here to check out the classes and register: [Home - Oregon Volunteer Firefighters Association](#)
